

Arm-Set suitable for 2.35 HD Flex, HD Pro, Premium

Part No.		67384.8
Capacity	kg	3.500

Suitable for:

2.35 Premium	- 54050.0
2.35 HD Flex	- 54778.6
2.35 HD Pro	- 59060.4

Specifically designed 3,5 t lift for lifting small cars up to SUVs, of a variety of models and manufacturers e.g. Audi Etron at the specified pick-up points.

Due to the offset swivel arm geometry, batteries can be removed or mounted below the vehicle without issue. Of course this lift in combination with this arm-set if also perfect for standard and sporty vehicles.
