## Arm-Set suitable for 2.35 HD Flex, HD Pro, Premium

Part No.		67384.8
Capacity	kg	3.500

Suitable for:

2.35 Premium – 54050.0

2.35 HD Flex – 54778.6

2.35 HD Pro – 59060.4

Specifically designed 3,5 t lift for lifting small cars up to SUVs, of a variety of models and manufacturers e.g. Audi Etron at the specified pick-up points.

Due to the offset swivel arm geometry, batteries can be removed or mounted below the vehicle without issue. Of course this lift in combination with this arm-set is also perfect for standard and sporty vehicles.
